COMPANY PARTICULARS

Established in 2002 and founded by Denise Dogon, Dogon Group Properties has proven to be a true real estate success story. The Dogon name has become synonymous with the proficient and effective marketing and selling of premium grade properties in Cape Town and particularly the sought-after Atlantic Seaboard. Dogon Group currently have offices in high profile positions in Sea Point and Southern Suburbs.

Dogon Group Properties prides itself on its unique and focused approach to marketing and sales, providing a comprehensive and tailored solution to ensure that sales occur at the optimum price within a compressed space of time. The company utilizes an evolved and distinctive sales force of highly adept and skilled sales agents who are selected for their extensive experience, professionalism and successful track records.

Headed by Managing Director Alexa Horne, Dogon Group has a dedicated in-house marketing department ensuring that focused and specialized marketing strategies are implemented. The powerful proprietary Dogon Group database combined with its eye-catching and prominent advertising, both in print and digital media, together with our visible network of sales offices support our strong performance on the Western Cape's Atlantic Seaboard, Southern Suburbs, Western Seaboard and surrounding areas.

INTRODUCTION

The intention of this Architectural Design Guidelines is to ensure a harmonious community of dwellings.

Individual units will be constructed by a builder accredited by the developer.

Future owners will be allowed to design their homes as per the building envelope specified.

The Developer will consider slight variation of the theme herein.

These guidelines intend to be a clear statement to future owners with regard to:

The aesthetic character of the development;
Permitted construction activities; and
Materials and colours to be used if and when renovation is necessary.

These guidelines are supplementary to the National Building Regulations and requirements of the Local Authority.

1. BUILDING ENVELOPE

- 2.1 One home will be permitted per site.
- 2.2 The total foot print coverage will be 50% of the Site Area.
- 2.3 The minimum area of the dwelling will be approximately 295m² depending on size of the erf with the developers and architects approval.
- 2.4 The garage may not be detached from the main building.

2. BUILDING LINES FOR DWELLINGS

Subject to change by Swartland Municipality.

- 2.1 As follows:
 - 4m street
 - 1.5 sides
 - 2m rear

HEAD OFFICE **021 433 2580**
